No purchase required.

WHAT'S INCLUDED

- Removal of existing tub/shower area, prepping the space for a walk-in tub, installation of a brand new walk-in tub. Lifetime warranty in accordance with our "Shugarman's Guarantee".

IN PARTNERSHIP

- In partnership with Special Liberty Project.
- SLP is a non-profit organization serving Healing Veterans, Gold Star Spouses, and Gold Star Kids through nature-centric and therapeutic events and experiences. They are designed to give the Veteran family camaraderie and support from peers with similar struggles.
- While SLP is an organization focused on Gold Star families and veterans, this is open to anyone that meets the eligibility criteria, not just veterans.

DISCLOSURES

- To be clear, these are brand new soaking walk-in tubs (we sell walk-in tubs with massage jets, air jets, etc. and these tubs do NOT include those features).
- For the best experience, you need a hot water heater with a 50+ gallon capacity. Not all homes have this, so it may need to be upgraded. This is not included in the giveaway.
- Submission of an application and/or nomination does not guarantee winning a contest prize. Not all will qualify.
- Winners will be chosen from the eligible nominations submitted. At its sole discretion, Shugarman's Bath will choose the two recipients based on need as well as feasibility of the project using photos, videos, and other information submitted on the nomination to make this determination.
- After winners are announced, we will visit the home to ensure the project is feasible. Walk-In Tubs are large and tricky to fit into all spaces. Sometimes it just cannot be done. If it is determined that we cannot do the project in your home, we will have to offer the gift to another nominee.

TO BE ELIGIBLE TO WIN:

- You must be a San Diego County Resident.
- You must own your home.
- You must be willing to participate in a video shoot, sign a photo/video release form and consent to have your name, likeness and home announced and displayed in marketing materials, including social media.
